Medical Second Opinion Service

The medical second opinion service* is specifically for you who have taken out MasterCare Medical Plan. The service aims at providing the insured with professional advice on their medical condition from the highest ranked medical institutions, and enabling the insured to choose the best possible solution.

The insured who fulfills the conditions below is eligible to access the medical second opinion service while the policy is in force:

- 1) The insured is diagnosed with a covered illness by a qualified medical practitioner within the last 12 months and is able to provide recent medical record and examination report.
- 2) The insured has not developed an acute or life threatening condition while awaiting the arrival of the medical second opinion.

The medical second opinion service is not applicable for the insured who is unable to receive in-person consultation and/or evaluation under certain condition (for example: mental illness).

How to access the medical second opinion service?

• Call the QTC Care toll free customer service hotline:

Hong Kong: 800-906-786; Mainland China: 400-0088-033

- ◆ Provide the insured's name, policy number and diagnosis report from a qualified medical practitioner.

• Complete the required form

- ◆ Submit the completed form with medical history and medical reports (e.g. MRI, X-ray) to QTC Care directly.

• Select medical centre

- ◆ Once QTC Care is notified of the insured's diagnosis with the medical condition by a qualified medical practitioner, QTC Care will identify 3 world leading medical centres in diagnosing and treating that particular illness for the insured to select and consult the medical second opinion.
- ◆ Please note that QTC Care will study the treatment plan provided by the qualified medical practitioner. If QTC Care agrees that the treatment plan provided is the best option, QTC Care will not consult the medical second opinion from other medical centre.

• Collect relevant medical reports

- ◆ The selected medical centre will provide a comprehensive analysis and assessment based on the medical reports provided.
- ◆ The medical centre will also provide the most suitable medical treatment proposal without any additional fees.

• Receive medical second opinion

- ◆ The insured and the insured's qualified medical practitioner will receive written medical second opinion within 10-15 working days.

For any enquiry related to the above-mentioned services, please call the hotline during service hours.
